MISS LULA CALLAHAN, a telephone operator at the Adrian, Mich., Exchange of the Union Telephone Company recently completed 35 years as an operator at the Adrian office and co-workers, present and past, and company officials attended a banquet in her honor. 105 persons were present at the banquet, and congratulation telegrams, flowers, and gifts were received from friends who were unable to attend. The climax of the evening was a takeoff on the television program "This Is Your Life" arranged by Miss Lydia Mielke, traffic supervisor. Many of Miss Callahan's co-workers took part as the story of her life was enacted, revealing her loyalty, modesty, and patience throughout her years of service to the Adrian community as a telephone operator. A memory book of white leather, containing the story of her life as it was reenacted by her fellow employes, was presented to Miss Callahan after the drama.
